

KC-38

**36MM IR
DECOY FLARE**

KC-38

Kilgore's proprietary KC-38 IR Decoy Flare is a commercial form, fit and function replacement for the U.S. MJU-38. The KC-38, complete with a sequenced ignition system, provides seduction protection to combat heat seeking missiles and is compatible with all current aircraft utilizing U.S. Navy 36mm flares.

Performance characteristics can be customized to meet customer requirements.

SAFE EFFECTIVE RELIABLE
